CASSS 2022 EXHIBITOR PROSPECTUS

MEETINGS | FORUMS | DISCUSSION GROUPS

Dear Program Partner:

Powerful things happen at meetings. Connections are forged. Collaborations are launched. Scientific breakthroughs are inspired. CASSS meetings bring together industry, regulatory and academic professionals to engage in critical discussions to solve technical and regulatory challenges in the field of biopharmaceutical development.

While that commitment never changed, the global COVID-19 pandemic made fulfilling it much more difficult. For this reason, ***I thank each of you***, our program partners and exhibitors who worked with us these past 15+ months to find new ways to engage people at virtual meetings. It is in times like this that we appreciate the power of meetings—and the value of relationships.

Looking ahead to 2022, we invite you to partner with us in creating new opportunities for building connections and inspiring scientific breakthroughs as we return to in-person and hybrid meetings.

As an Exhibitor or Partner at a CASSS meeting, your company will be able to:

- Expand your network
- Create awareness of your products and services
- Gain greater knowledge of the needs of the industry
- Participate in the CASSS community

CASSS symposia provide venues for biopharmaceutical professionals to:

- Connect with a relevant global network
- Gain tangible knowledge that will help them in their jobs
- Learn best practices of the major players in the industry

Join us to collaborate with biopharmaceutical professionals to advance the industry. With you, CASSS will continue to provide high-quality scientific forums that address today's challenges in the development of biopharmaceuticals.

Sincerely,

Stephanie Flores

DESCRIPTION OF OPPORTUNITIES

Email Spotlight – NEW

We are providing the opportunity for exhibitors to be highlighted in an email to the CASSS membership two week before the meeting. This is limited to four exhibitors per meeting. Exhibitor will provide image, copy and link to exhibit manager.

Extra Badges

Maximum four (4) for in-person booth and unlimited for virtual booth.

Host Roundtable Topics – NEW

We are providing the opportunity for exhibitors to purchase a roundtable discussion during conferences. Topic will need to be approved by the organizing committee. Once approved, exhibitors will need to provide abstract, facilitator, scribe and attend trainings.

Meeting App Advertisement

We are providing an opportunity for ad placements in the meeting app. Opportunities to have a rotating banner ad on the meeting app are available for all CASSS symposia that are in-person. Please note, each company will receive only one ad per meeting.

Pre-Conference Webinar

CASSS meetings will offer webinar opportunities the week before the conference to be paired with additional conference content. CASSS will promote webinars as part of the scientific content, list on program pages and emails where appropriate. Exhibitors will be able to use their own webinar platform.

Pre-Recorded Seminar Videos (15 minutes / 30 minutes)

CASSS meetings provide the opportunity for a limited number of prerecord videos (mP4) during breaks. Video will be available on demand to view during and after the meeting. Badges for this option allow access for online program only.

Promotional PDF – NEW

We are providing the opportunity for exhibitors to provide a 1-page PDF flyer that promotes their company and virtual booth. This document will be posted in the resources section of our online meeting platform and emailed to attendees at the end of the day with all other resources.

Tabletop Requirements:

Each tabletop display will consist of one 6-foot x 30-inch table with one chair for each badge purchased. Tabletop displays cannot exceed 5-feet in height from the top of the table and must fit on a 6-foot x 30-inch banquet table. Please do not bring anything for 8'x10' or 10'x10' displays (unless otherwise specified by the Exhibit Manager); these will not be allowed to be set-up. Due to the small number of companies that can participate in the show because of limited space, drayage and storage

fees for tabletops are cost prohibitive. In addition, the hotel has limited storage space and will not accept shipments of large boxes or freight. The Exhibitor should bring all exhibit materials to the hotel on set up day. If materials must be sent in advance and the boxes are less than 50 pounds, please make arrangements for shipping the materials. (Instructions for shipping will be sent by the Meeting Coordinator.) Please note: Hybrid meetings will also include a virtual booth.

Technical Seminars (60 and 30 minutes)

Some, but not all, CASSS meetings provide the opportunity for a limited number of technical seminars by sponsoring and exhibiting companies. Number of seminars and time is at the discretion of the organizing committee. For in-person seminars, the symposium will provide a meeting room, microphone, screen and AV support. 60 minute lunch time seminars include F&B cost for up to 100 people. For virtual seminars, a production team and CASSS staff will provide pre-conference training and day of logistical support in the virtual platform. Technical seminar information should include talk title, presenter names (must be registered for the conference) and seminar abstract to be used in various program formats. For in-person symposium, each company is allowed one pop-up banner at the entrance of their seminar. See previous pages for pricing.

FAQS AND APPLICATION REQUIREMENTS

Space Assignments:

Space for in-person events will be assigned on a first-come, first-served basis after final contract is received by the Exhibit Manager, accompanied by full payment by the due date stated on the meeting web page. Space is limited. If there is a company that you wish to avoid being near, we will do everything we can to accommodate your request.

Payment Policy:

Three methods are accepted for payment: Credit card (VISA, MasterCard or AMEX), check or wire transfer. For check or wire transfer, please contact the Exhibit Manager for instructions.

Contributions or gifts to CASSS are not tax deductible as charitable contributions; however, they may be tax deductible as ordinary and necessary business expenses. Please consult your tax advisor.

Cancellation:

Exhibiting firms wishing to cancel space will need to notify the Exhibit Manager. It is the responsibility of the Exhibitor to confirm that the cancellation has been received by the Exhibit Manager. The date written notice is received is considered the official cancellation date. Please review the cancellation policy on the Symposium Website as it may vary for each conference.

MEETINGS

Exhibitor Badges:

- All Exhibitors must be registered.
- Exhibitor badges are all access. CASSS does not offer exhibit only badges.
- Each person issued an Exhibitor's badge must be employed by the exhibiting company or have a direct business affiliation.
- Badges must be worn at all times.

Increasing Exposure:

Increase company exposure at the meeting by encouraging your research scientists to submit an abstract to be presented at the meeting. Such abstracts must be scientific and not seek to advertise or promote an Exhibitor's products and/or services. Use of trademarks and registered marks is discouraged. To submit abstracts, please look at the Symposium Website.

Please Don't Be a "No-Show":

If you cancel your plans to attend, remember to cancel your meeting registration and hotel reservations as quickly as possible. Hotels are reluctant to commit rooms and offer lower rates if there is a high no-show rate. If reservations are cancelled correctly, it will allow other attendees the option to book and fill the room.

Attendees with Disabilities:

If you have a disability or a special need that may affect your participation, please contact the Exhibit Manager to discuss your requirements. We cannot ensure the availability of appropriate accommodations without prior notification of need.
