# Are you Still Growing your Cells ?

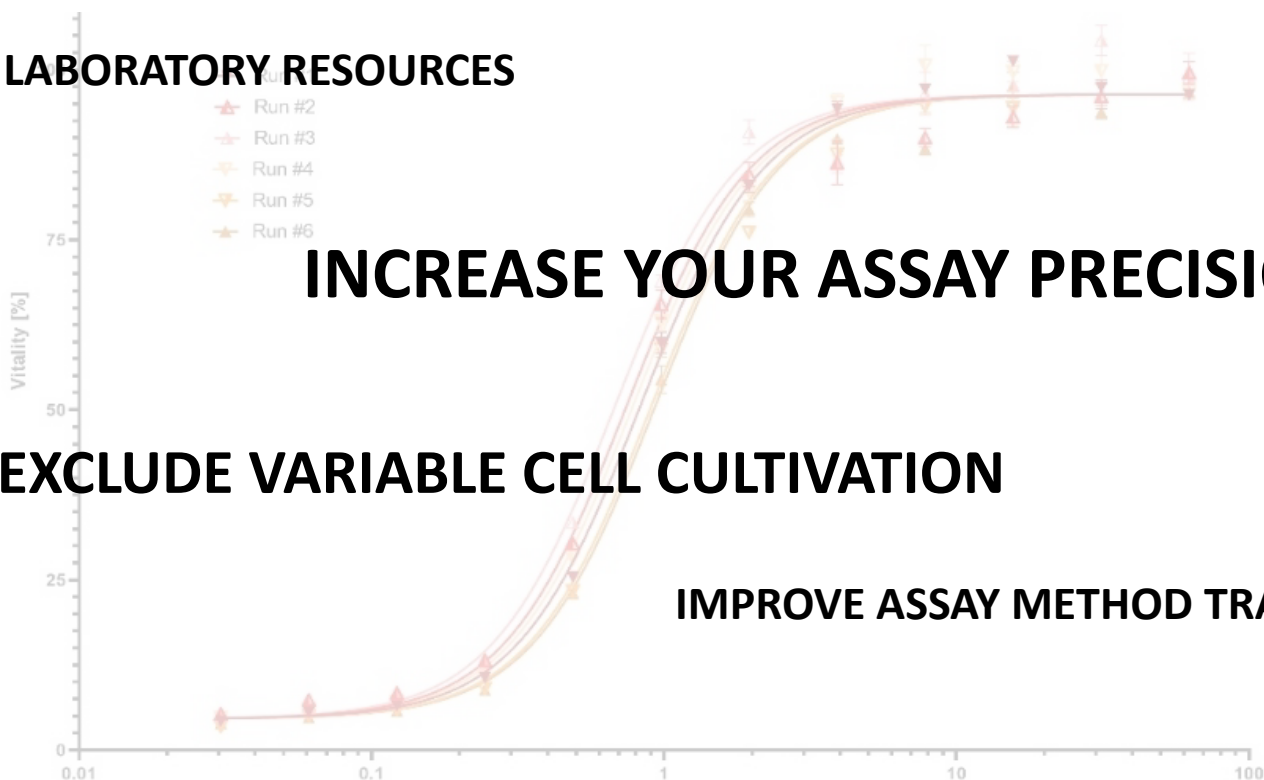

## Turn your Cells into Reagents!

# Assay Ready Cells

**always ready, always performing !**

**SAVE LABORATORY RESOURCES**

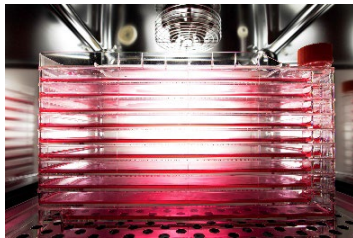

**GAIN FLEXIBILITY AND REDUCE LEAD TIME**

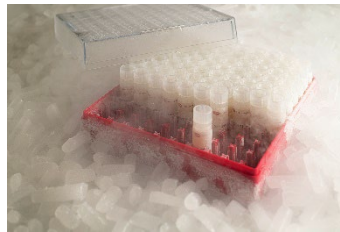

# Assay Ready Cells

prequalified aliquots of frozen cells

bulk cell production

functional freezing

prequalification of assay ready cells

instant use of single aliquots

# Assay Ready Cells

**tailored to meet your assay specifications**

- Optimized freezing protocols for different cell types.
- Assay Ready Cell banks of up to 1.000 vials.
- Custom aliquots sizes up to 100 million cells/vial.
- GMP-qualified documentation.
- Guaranteed functional assay performance.
- Transparent pricing model.
