

Symposium on the Practical Applications of  
**Mass Spectrometry**  
in the Biotechnology Industry  
**2023**

## KNOWLEDGE SHARING AND CAPACITY BUILDING

- Overview of the *evolution of mass spectrometry*: how far the field has come, new and emerging technologies, the challenges we still face, and where we are going.
- Brand *new program highlights* included Diverse Voices: Breakfast Chats, Plug and Play Poster Sessions, and Spotlight Talk.
- *Insightful collaborations* from members across the field.

## MASS SPECTROMETRY 2023 BY THE NUMBERS

**First-Time Attendees**

**70**

**Exhibitors Participated**

**41**

**Company Participation**

**78**

**Country Participation**

**9**

Canada | Denmark | Germany | Japan | Norway | South Korea |  
Switzerland | United Kingdom | United States
